

At the well of Nazareth

Bloody Hammers

A Revolution In Decline
Will Try to Infiltrate Your Mind
There is No Love There is No Peace
Offering Poison For Disease

At the Well of Nazareth There is An Imminent Disaster
At the Well of Nazareth Something Wicked This Way Comes
Warning, Something Wicked This Way Comes

No Ugly Moral Compromise
Conceiving The Root of the Crime
Recruiting Victims Who Will Follow
Reigning Until the End of Times

At the Well of Nazareth There is An Imminent Disaster
At the Well of Nazareth Something Wicked This Way Comes
Warning, Something Wicked This Way Comes
