

The transit begins

Bloody Hammers

The Peace of Mind You Find Comes with a price to pay sometimes
as every moment is a strange one

Live fast and make it clear, expect your final chime to hear as
every promise becomes broken

The choir in your head are singing to exalt the dead that have
become exaggeration

Transit Begins
Contempt within
Until the end

Each manic passing day keeps the creator far away as every pict
ure tells repulsion

Transit Begins
Contempt within
Until the end

I've told you far too late
Malignant spirits plan your fate
Now every moment becomes stranger

Envision the light through the clouds as you follow your raptur
e
Recite the new scripture aloud as the transit begins

This setting is hard to tell but by the sulfur that you smell t
his must be your new tragic home ground

Envision the light through the clouds as you follow your raptur
e
Recite the new scripture aloud as the transit begins
