

Smashed Pianos

Blossoms

I wish I didn't care like I do
Feels like I'm losing you too
I wish I didn't stare like I do
I might be over you soon

I wish I didn't care like I do
It always brought me back to you too
I wish I didn't stare like I do
Can you send me someone new soon?

Let's think it through, I'll still think of you
But I can't switch off and on like you, I think it's something
I need to work on
And if we're through, I'll still think of you
But I can't switch off and on like you, we crash like smashed p
ianos

I wish I didn't care like I do
Feels like I'm losing you too
I wish I didn't stare like I do
I might be over you soon

(2x):

Let's think it through, I'll still think of you
But I can't switch off and on like you, I think it's something
I need to work on
And if we're through, I'll still think of you
But I can't switch off and on like you, we crash like smashed p
ianos

In the room I found you, a fallen stars and tears
I want you many more in silent gardens
Smashed pianos
Smashed pianos
Smashed pianos
