

Hey Boy

Blow

Hey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't call

Hey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't call

A. You're gay
B. You've got a girlfriend
C. You kinda thought I came on too strong or
D. I just wasn't your thing
no ring

Hey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't call

When we sat outside for an hour at the party and talked
I thought something good could be starting
It's not a lot that I want
just some talking
and really, you just injured my pride

Hey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't call

Susan said that maybe you're scared
Shelly says there always is a reason
and Chris said you're probably surrounded by girls and
I'm just not one of them you're needing
