State of mind Color Way beyond Yonder Deeper Paradise All describe All describe Blu is a mood

When you're feelin' kinda melancholy
And ya get somethin' never thought about
Outta nowhere
Once in a while there's a special moon
And a clear sky colored pale azure
They all have something in common
And it's blu

State of mind Color Way beyond Yonder Deeper Paradise All describe All describe Blu is a mood

So bright it can be electric
Or indigo
Cobalt
Powder
Or Paris
Have it any way you like
Stones of metamorphic sapphirine
>From the heavens down to the deepest sea
It's in every part of your life
Do you feel it

State of mind Color Way beyond Yonder Deeper Paradise All describe All describe Blu is a mood

Blu's not just a primary color It's a backdrop for the univere SO if you're vibing on this chill atmoshpere Baby you have been blue
