

# Till I'm Gone

Blu Cantrell

I gave him love  
I gave my all  
I gave myself, I lost control  
Held nothing back, I just let go  
Now, I'm realizing, I've been all alone

He won't love me  
Till I'm gone  
But I don't want him  
'Cause he's wrong wrong  
Now he love me, 'cause I'm gone  
But it's just too late  
'Cause now I found someone

I'm looking  
For an everlasting love  
The kind that every girl dreams of  
But every time you said you love me  
Boy you lied  
Now all I have for you  
is goodbye

Lord tell him something  
'Cause he lost his mind  
If I could rewind  
I wouldn't give him the time  
I'll take all this pain  
And throw all away  
But I realize  
You ain't good enough for me
