

Can I Show

Blue Café

can i show
can i show
can i show you what is love
do you know, do you know
i just wanna taste your love

can we have some fun
a little fun , honey come with me
can we have a trip
just both of us
only you and me
can i show you boy
what i will need
you to do for me
can i show you boy
what turns me on
what is hot for me

can i show
can i show
can i show you what is love
do you know, do you know
i just wanna taste your love
can i show
can i show
can i show you what is love
do you know, do you know
i just wanna taste your love

i will show you more
if you will go
you will go with me
i will show the way
i'm gonna live
you will follow me
can we find some place
that no one knows
no one's gonna see
now i'm touching you
i look at you
and you're kissing me

i feel like flying
you gotta try it
it feels like flying
dont wanna hide it
i feel like flying
you gotta try it
it feels like flying
dont wanna hide it

can i show
can i show
can i show you what is love
do you know, do you know
i just wanna taste your love
can i show

can i show
can i show you what is love
do you know, do you know
i just wanna taste your love

can i show you what
you gotta do
to make me freak
what i'll do to you
then you will do
you will do to me
can i have some more
a little more
honey just for me
can you go on boy
keep touching me

can i show
can i show
can i show you what is love
do you know, do you know
i just wanna taste your love
can i show
can i show
can i show you what is love
do you know, do you know
i just wanna taste your love

i feel like flying
you gotta try it
it feels like flying
dont wanna hide it
i feel like flying
you gotta try it
it feels like flying
dont wanna hide it
