

Love Song

Blue Café

Every day I feel I need somebody
every night I wanna feel your body
every day I cannot wait
every night I sing this way
sweet song, love song
sweet song, I wanna give you this song
sweet song, love song
sweet song
every day I wanna love somebody
every night I feel I need your body
every day I feel the same
every night I sing this way
sweet song, love song
sweet song, I wanna give you this song
sweet song, love song
sweet song
(un, dos, tres, cuatro)
sweet song, love song
sweet song, I wanna give you this song
sweet song, love song
sweet song
sweet song, love song
sweet song, love song
sweet song, love song
sweet song
sweet song, love song
sweet song, I wanna give you this song
sweet song, love song
sweet song
