Feathers from Your Tree

Blue Cheer

Walking here from beyonder Just to see (Just to see the right road) Just to see... You know I don't wanna leave here You know I don't wanna go (No I don't wanna go).

You get that little something (boh-boh) Something to hold on to (boh-boh) The pain that I can't take (boh-boh) I say just what I'll do (boh-boh) Someone give me back (boh-boh) Just some way to do.

You know I'm gonna thank you (ba-da-ba-da-da-da) For being just that way (ba-da-ba-da-da) You know I'm gonna love you (ba-da-ba-da-da) Every minute of every day (ba-da-ba-da-da) You know I just couldn't stand it (ba-da-ba-da-da-da) Couldn't stand it any other way (ba-da-ba-da-da-da).

Flying, heading for the wonder Now you see (Now you see oh, oh, oh) Now you see... Finding you this way As the breezes blow (As the breezes blow).

I got that funny feeling (ba-da-ba-da-da) Now you made it mine (ba-da-ba-da-da) You look so overjoyed (ba-da-ba-da-da) Now it's doing fine (ba-da-ba-da-da) Grow a little gun (ba-da-ba-da-da) And feathers from your tree (ba-da-ba-da-da).

You know I'm gonna thank you (ba-da-ba-da-da-da) For being just that way (ba-da-ba-da-da) You know I'm gonna love you (ba-da-ba-da-da) Every minute of every day (ba-da-ba-da-da) You know I just couldn't stand it (ba-da-ba-da-da-da) Couldn't stand it any other way (ba-da-ba-da-da-da)
