

## Girl Next Door

Blue Cheer

Sit-in' by the TV, sittin' drinkin' my wine  
My friends all say that I'm wasting time  
I'm gonna wait right here just to get the right meat  
I been waiting for hours, I can wait all week.

I'm not talkin' 'bout love  
Not talkin' 'bout war  
Get what I need from the girl next door!

Been watchin' cartoons on the TV screen  
What I'm looking for is long and lean  
A ticket to ride, I want my feet in the air  
I'm gonna tell my baby that I just don't care.

I'm not talkin' 'bout love  
Not talkin' 'bout war  
Get what I need from the girl next door!

Yeah, get what I need! Oh yeah! Oh!

Been runnin' down the scene with my gasoline  
I'm feeling nasty and mighty mean  
Said outta my way cause I'm runnin' hot  
I got to show my baby just what I got.

I'm not talkin' 'bout love  
Not talkin' 'bout war  
Take what I need from the girl next door!  
I'm not talkin' 'bout love  
Not talkin' 'bout war  
Take what I need from the girl next door!  
I'm not talkin' 'bout love  
Not talkin' 'bout war  
Get what I need from the girl next doooooooooooooor!

Yeah I get what I need from that mojo, yeah!

OH!
