

## Just a Little Bit

Blue Cheer

I feel a good sensation  
And I been lifted child by your soul creation  
Don't you stop just to look away  
I want you to listen, child, to what I say

Don't you drift away too far  
Out of sad times, of just exactly where you are  
'Cause it's just too much the way I feel  
I just can't believe that it's so for real

You have a strange desire  
When you walk across the ground  
Then you set the earth on fire

I feel good sensation  
And I been lifted child by your sole creation  
Don't you stop just to look away  
I want you to listen, child, to what I say

C'mon, c'mon, won't you please, just a little bit  
Won't you please, just a little bit closer

C'mon, c'mon  
C'mon, c'mon  
C'mon, c'mon  
...
