```
Whew, whoa alright!
I just wanna say I love you
All night long, alright!
Slap it to me
Rock me baby
Well rock me all night long
Well rock me baby
Well rock me all night long
Well roll me baby
Until my back ain't got no bone
Well ball me baby
Well ball me all night long, if you can
Well ball me baby
Well ball me all night long, that feels pretty good
Well roll me baby
Until my back ain't got no bones
I ain't got no bones about you
Don't bother me, no not at all
Well rock me baby
Well rock me all night long, I know you can
Rock me baby
Well rock me all night long
Well rock me baby
Until my back ain't got no bone
I ain't got no bones about you
Don't bother me, no!
