

# When Two Spirits Touch

Blue Cheer

Yaayy-ow!  
Ooh yeah!

When two spirits touch  
When they meet enough  
Gotta take the time to let it last  
But if you ever do find  
If you ain't got the time  
You oughta take the time to let it pass  
Oh! let it pass!

Believe I'll take my coat  
Strap it across my back  
Jump on East to become with the night  
'Cause baby, it's time.

Believe I'll take my leave  
Honey, if you please  
Well I jump on East to become with them right  
'Cause baby, goodbye.

(Goodbye baby, whoa, ooh yeah, whew, tell you what I'm gonna do baby,  
sing it Dickie!)

Believe I'll take my coat  
Strap it across my back  
Jump on East to become with the night  
'Cause baby, it's time.

Believe I'll take my leave  
Honey, if you please  
Well I'll jump on East to become with them right  
'Cause baby, goodbye.

(Say goodbye baby, whew!)

When two spirits touch  
When they meet enough  
Gotta take the time to let it last  
But if you ever do find  
If you ain't got the time  
I hope you take the time to let it pass  
I hope you take the time to let it pass  
You oughta take the time to let it pass.

(Whooo ha yah, woo-oo ha, yeh, ye-ye yeh! Yeh!)
