

You're Gonna Need Someone

Blue Cheer

Well, you're gonna need someone
Baby, when you're blue
Well, you're gonna need someone
Just to sleep your nights through

So baby please, make it up to me
And I'll love you

Well, you been ignoring me
Baby, in the past
And the blues had come to get ya
But we don't have to laugh

'Cause if you make it up to me
Oh, I'll love you

I've waited you, baby
But I still got my pride
You hurt me before
I thought I'd die

Well, I won't let you do it to me
Oh I'll, I'll be gone and you'll see
You'll see that you're gonna need someone
Make me blue, make me blue

Well, I've waited you, baby
Still got my pride
You hurt me before
I thought I'd die

Well, I won't let you do it to me
Oh I'll, I'll be gone and you'll see
You'll see that you're gonna need someone
Make me blue, make me blue

That you're gonna need someone
Baby, when you're blue
Well, you're gonna need someone
Just to sleep your whole nights through

So baby please, make it up to me
And I'll love you

I'll love you, baby
When you need me, baby
All you gotta do
