

# What's Not To Love

Blue County

Baby when we fell in love  
I packed my El Camino up  
And never looked back  
A tank of gas, twenty bucks  
Left behind a cloud of dust  
And all we had  
Gave up everything  
I'd do it all again  
Don't you know  
That's just the kind of man I am

Hey what's not to love  
About a man who'd live and die  
Swear and sacrifice for you  
Hey what's not to love  
About time after time  
Layin' it on the line  
What's not to love about  
What's not to love about that

You looked at me the other night  
Disappointment in your eyes  
Said I'm not sure  
Well it knocked me back  
To say the least  
When you said you don't need me  
Anymore  
I don't understand  
I've done all I can  
To be the kind of man you always wanted

Hey what's not to love  
About a man who'd live and die  
Swear and sacrifice for you  
Hey what's not to love  
About time after time  
Layin' it on the line  
What's not to love about  
What's not to love about that

Isn't love about give and take  
Isn't that what they say  
But baby can you meet me halfway

Hey what's not to love  
About a man who'd live and die  
Swear and sacrifice for you  
Hey what's not to love  
About time after time  
Layin' it on the line  
What's not to love about  
What's not to love about that
