I'm seen to be my dear friends  
like a biggest strong song machine  
Walking up share appointment  
and up the straight a straight away

Ref.:

Sun is so bright  
I'm singing  
there's up your tears  
I'm get tired  
But so happy  
as apple pie

Like a lover wonderful  
and I'll be there for this good (just for you)  
I'm probably you this survey (be survive)  
where's your last end (but) without (nothing) to be (say)
