

## Blue Skies

## Blue October

Blue skies  
Calling on blue skies  
Don't take them away, boys  
Don't take them away  
Cause I'll never stop

I've been to both knees  
Raise my hands up to the skies, forgive me  
Is something out there far beyond the clouds?  
I'm asking help me  
Help me to see the world  
Through baby eyes and hold me closely  
I need a fresh start on the roller coaster  
Made for coasting  
It's time to wake up, time to make up  
Time to shake these memories  
It's time to leave the past in the past  
And lace up a new set of shoestrings  
I want the world to know I've got your back  
Through up and down, see  
So we can sit together, side by side  
Through amazing

Blue skies  
Calling on blue skies  
Don't take them away, boys  
Don't take them away  
Cause I'll never stop

So I've broken every bone  
And fought through what felt never-ending  
I thought my head was made of sadness  
But my heart is mending  
I scream at sunsets  
Give applause to what I can't control  
Then somehow laugh at how  
The moon divides an ocean solo  
I wanna be that ocean  
I wanna shine like that  
I want to smile so big my daughter jumps into my lap  
And I wanna tell her daddy's fine  
And always plans to be  
Then take her in my arms  
This is what we'll always see

Blue skies  
Calling on blue skies  
Never take them away, boys  
Don't take them away  
Yeah, shhh

And when I'm gone  
I won't go screaming in the end  
I'll give you everything my life amounts to  
So raise your life up with me  
And baby, let's go dancing  
Come on!

Blue skies  
Calling on blue skies  
Don't take them away, boys  
Don't take them away  
Cause I'll never stop

Well I've broken every bone  
And fought through what felt never-ending  
I thought my head was made of sadness  
My heart is mending  
I scream at sunsets  
Give applause to what I can't control  
Then somehow laugh at how  
The moon divides an ocean solo  
I wanna be that ocean  
I wanna shine like that  
I want to smile so big my daughter jumps into my lap  
And I wanna tell her daddy's fine  
And always plans to be  
Then take her in my arms  
This is what we'll always see

Just blue skies  
Keep calling on blue skies  
I'll never take them away, little girl  
I'll never take them away  
Cause I'll never stop loving my blue skies
