- 1. There's something that I can't quite explain
   I'm so in love with you You'll never take that away
  And if I said a hundred times before
   expect a thousand more You never take that away
- X: Well expect me to be calling you to see if you're ok when I'm not around asking if you love me I love the way you make it sound Calling you to see do I try too hard to make you smile to make a smile
- R: Well I will keep calling you to see if you're sleepin' are you dreamin' and if you're dreamin' are you dreamin' of me I can't believe you actually picked...me
- 2. I thought that the world had lost its sway (it's so hard sometimes) then I fell in love with you (then came you) and you took that away (it's not so difficult, the world is not so difficult) you take away the old, show me the new and I feel like I can fly when I stand next to you so what if I'm on this phone a hundred miles from home I take the words you gave and send them back to you
- X: Well expect me to be...
- R: Well I will keep...
