

# Hateme

Blue October

I have to block out thoughts of you  
so I dont lose my head  
they crawl in like a cockroach  
leaving babies in my bed  
Dropping little reels of tape  
To remind me I'm alone  
Playing movies in my head  
That make a p\*o feel like home  
There's a burning in my pride  
A nervous bleeding in my brain  
And ounce of pieces is all I want for you  
Will you never call again  
And will you never say that you loved me  
Just to put it in my face  
Will you never try to reach me  
It is I that wanted space  
Hate Me today  
Hate me tomorrow  
Hate me so you can finally see what's good for you  
I'm sober now for 3 whole months  
It's one accomplishment that you helped me with  
One thing that always tore us apart  
Is the one that I won't touch again  
In a sick way I want to thank you  
For holding my head up late at night  
While I was busy waging wars with myself  
You were trying to stop the fight  
You never doubted my warped opinions  
On things like suicide or hate  
You made me compliment myself  
When it was way too hard to take  
So I'll drive so f\*cking far away  
That I never cross your mind  
And do whatever it takes in your heart

To leave me behind

Hate Me today  
Hate me tomorrow  
Hate me for all the things  
I didn't do for you

Hate me in ways  
Yeah ways hard to swallow  
Hate me so you can finally see what's good for you

And with a sad heart I say bye to you and wave  
I'm kicking shadows in the street for every mistake that I make  
Like a baby boy I never was a man  
Til I saw your blue eyes cry and I held your face in my hand

And the I found I'm yelling make it go away  
just make it stop and let it shine just like it used to be  
And then she whispered "how can you do this to me?"

Hate Me today  
Hate me tomorrow  
Hate me for all the things  
I didn't do for you  
Hate me in ways  
Yeah ways hard to swallow  
Hate me so you can finally see what's good for you
