

# The Chills

Blue October

Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,

Take my hand  
Maybe we should run away  
Maybe we should disappear  
Leave everything behind  
Like the useless things  
Boxes labeled memories  
The sudden health emergencies  
Yeah we could leave those things behind

Show me, show me arms that reach for all we can be  
Through understanding, I tried forgiveness,  
I faced the past, it's what I witnessed

Why do I only feel the chills when I'm with you?  
I only hear your words that you say are true  
But you keep thinking it over, thinking it over,  
You can catch me if you wanted to, oh

Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,

Now, why you gotta say goodbye  
When you know you're gonna come with me  
No, can't afford to leave and stay  
You're gonna have to just build one way

So tell me, tell me all the things you told me we could be  
Through understanding, I tried forgiveness,  
I faced the facts, it's what I witnessed

Why do I only feel the chills when I'm with you  
I only hear your words that you say are true  
But you keep thinking it over, thinking it over,  
You can catch me if you wanted to  
I only feel the chills when I'm with you  
I feel like I'm so high, I'm feeling so high  
C-catch me, c-c-catch me

Why does a heart always have to break  
(When you're trying way too hard), have to break  
(Yes she'll see right though you), have to break  
Oh communication, yeah conversation,  
It breaks down  
Now there will be nothing to talk about,  
(Absolutely nothing, just blah blah blah)

Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,

Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,

Why do I only feel the chills when I'm with you  
I only hear your words that you say are true  
But you keep thinking it over, thinking it over,  
You can catch me if you wanted to  
Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,  
Whoa-ah-oh ah-ah-oh,  
Can catch me, c-c-catch me  
Ohhh
