

To Be

Blue October

We asked God to remove our fear & direct our attention as to what He would have us to be (to be...)

What He would have us to be; just as happy, joyous, & free (free...)

He says when trouble comes cheerfully capitalize it as an opportunity to demonstrate His omnipotence

So walk the walk, talk the talk, & let go, let God (let God...)

It works out according to His will

His will

His will
