Cities on Flame

Blue Öyster Cult

My heart is black, and my lips are cold Cities on flame with rock and roll Three thousand guitars they seem to cry My ears will melt, and then my eyes

Oh, let the girl, let that girl, rock and roll Cities on flame now, with rock and roll

Gardens of nocturne, forbidden delights Reins of steel, and its alright Cities on flame, with rock and roll Marshal will buoy, but fender control

Let the girl, let that girl rock and roll Cities on flame now, with rock and roll

My heart is black, and my lips are cold Cities on flame with rock and roll Three thousand guitars they seem to cry My ears will melt, and then my eyes

Let the girl, let that girl rock and roll Cities on flame now, with rock and roll
