

Demon's Kiss

Blue Öyster Cult

It was one of those things you don't quite see
I guess I knew but didn't wanna believe
A shine in her hair
And steel in her eyes
Only nineteen and impossibly wise

I couldn't quite place it, I didn't quite know
But I had some wild oats and I wanted to sow
She was a furrow, fertile and deep
Some things you sow you'd rather not reap

Chill and you'll hear the serpents hiss
At the moment you feel
A demon's kiss

A demon's kiss, a demon's kiss
Watch out or you'll get your wish
A demon's kiss, a demon's kiss
My friend, she had a demon's kiss
A demon's kiss

There's sweet Lilith dancing on MTV
Dancing in the disco, dancing for me
See the blood race and the energy rise
Turn out the light and see the glow in her eyes

So chill and you'll hear the serpents hiss
At the moment you feel
A demon's kiss

Well I was with her a week and somehow survived
Most of her men are no longer alive
She's something you cannot have, cannot hold
Like touching your fingers on the hot coal

You chill and you'll hear the serpents hiss
At the moment you feel
A demon's kiss

A demon's kiss, a demon's kiss
Watch out or you'll get your wish
A demon's kiss, a demon's kiss
My friend, she had a demon's kiss
She had a demon's kiss
A demon's kiss
She had a demon's kiss
A demon's kiss
