

## Dominance & Submission

Blue Öyster Cult

Oh yeah

I spent ten years, half my life  
Just getting ready, then it was time  
Warpage in my figures, radios appear  
Midnight was the barrier, back in 1963

Each night the covers were unfolded  
Each night it's susie's turn to ride  
While charles, the one they call her brother  
Covers on his eyes  
Murmurs in the background  
It will be time

Oh yeah

Susan and her brother, charles the grinning boy  
Put me in the backseat, and they took me for a ride  
Yeah, the radio was on - can't you dig the locomotion  
Kingdoms of the radio, 45 rpm  
Too much revolution, then

Each night the covers were unfolded  
Each night it's susie's turn to ride  
While charles, the one they call her brother  
Covers on his eyes  
Murmurs in the background  
It will be time

It's past midnight said charles the grinning boy  
And looking at me greedily, said it's 1964

In times square now people do the polka  
Dominance....submission...radios appear  
This new year's eve was the final barrier  
Dominance....submission...radios appear  
We took you up and we put you in the back seat  
Dominance....submission...radios appear  
From year to year we looked out for the venture  
Dominance....submission...radios appear  
Dominance....submission

Each night the covers were unfolded  
Each night it's susie's turn to ride  
While charles, the one they call her brother  
Covers on his eyes  
Murmurs in the background
