

Well I've opened up my veins too many times  
And the poison's in my heart and in my mind  
Poison's in my bloodstream  
Poison's in my pride  
I'm after rebellion  
I'll settle for lies

Is it any wonder that my mind's on fire  
Imprisoned by the thoughts of what to do  
Is it any wonder that my joke's an iron  
And the joke's on you

Experiments that failed too many times  
Transformations that were too hard to find  
Poison's in my bloodstream  
Poison's in my pride  
I'm after rebellion  
I'll settle for lies

Yes I know the secrets of the iron and mind  
They're trinity acts, a mineral fire  
Yes I know the secrets of the circuitry mind  
It's a flaming wonder telepath

Well I've opened up my veins too many times  
And the poison's in my heart and in my mind  
Poison's in my bloodstream  
Poison's in my pride  
I'm after rebellion  
I'll settle for lies

Is it any wonder that my mind's on fire  
Imprisoned by the thoughts of what to do  
Is it any wonder that my joke's an iron  
And the joke's on you
