

Still Burnin'

Blue Öyster Cult

Maraschino
Cherry lipstick
Drop dead gorgeous
To her fingertips
Ohh ohh ohh ohh
Hold me tighter
In your arms
Lets set off the
Smoke alarm
And Im still burnin
Burnin for your love
And Im still burnin
Burnin for your love
Im still burnin
Burnin for your love
Im still burnin ohh ohh ohh ohh
Burnin for your love
Im still burnin
Burnin for your love
Im still burnin
Take me to the
Edge of madness
Let me feel your
Secret passion
Ohh ohh ohh ohh
Freud have mercy
On my soul
I cant fight this
Anymore
And Im still burnin
Burnin for your love
And Im still burnin
Burnin for your love
Im still burnin
Burnin for your love
Im still burnin ohh ohh ohh ohh
Im burnin for your love
Im still burnin
Im burnin for your love
Im still burnin ohh ohh ohh ohh
Burnin for your love
Im still burnin
Burnin for your love
Im still burnin
Im still burnin
Burnin for your love
Im still burnin ohh ohh ohh ohh
Burnin for your love
Im still burnin
Im burnin for your love
Im still burnin ohh ohh ohh ohh
Burnin for your love
Im still burnin
Im burnin for your love
Im still burnin
