

## Take Me Away

Blue Öyster Cult

Strange shapes light up the night  
Never seen them though I hope I might  
Don't ask if they are real  
The men in black, their lips are sealed

Fantasy it fills my mind  
To leave this place before my time  
Release myself from earthly care  
My dream may be your nightmare

I turn my hopes up to the sky  
I'd like to know before I die  
Memories will slowly fade  
I lift my eyes and say  
Come on, take me away  
Come on, take me away

Come here, girl, close to me  
A thousand stars your eye can see  
First star we see tonight  
I wish I may I wish I might

I turn my hopes up to the sky  
I'd like to know before I die  
Memories will slowly fade  
I lift my eyes and say  
Come on, take me away  
Come on, take me away

I turn my hopes up to the sky  
I'd like to know before I die  
Memories will slowly fade  
I lift my eyes and say  
Come on, take me away
