In a dark horse town, in the middle of the west Where friday takes so long to arrive Johnny wakes up dreaming turns on the radio The he jumps up plays his guitar in the mirror Starts his day with a rock and roll pose Tonight's the night that susie and he Are going to a rock and roll show

Tonight! I'm gonna see some rock and roll! Yeah, my favorite group is playing! Tonight! I'm gonna see some rock and roll!

Well it's showtime and he's caught up in the crowd He hates the crush but he loves the music loud He reaches out and susie's disappeared, Now johnny's standing on a corner after the show Looking for his susie dear But there goes his susie - in the band's limousine! Yeah, well that's the way it goes at these rock and roll shows

That's the way it goes - it's rock and roll That's the way it goes - it's rock and roll

Now susie's gone, and johnny hears the thunder As he rolls another number and he counts He counts the times he's felt himself to be the hero 'cause ever since he was a boy He's heard about adventure As he looks into the mirror now he knows He must be the star and play guitar like thunder Find susie at his rock and roll show

Boy, if I only had a good guitar and a big amp Boy, it wouldn't be somebody else taking my girl away...tell ya I know what I should do...i'll put an ad in the paper Get a few other guys who want to play as much as I do Tell ya, I ain't playin' no surf music I'm gonna play some heavy music I'm gonna play bad I'm gonna play loud I know just what I want it to sound like It's gonna sound like...
