

# Heart Like Mine

Blue Rodeo

Don't you know that we're out of touch,  
Yeah, we fight too much,  
How'd we ever get so messed up?  
Everynight, we say the craziest things  
You know our words they once had wings.

Now it's all covered up  
In double-talk and lies  
There's a stranger looking back  
When I look in your eyes.

I just want to find a heart like mine  
I just want to find a heart like mine  
A heart like mine, a heart like mine.

You call me a fool, 'cause I still feel the same.  
You say that your love has changed,  
Ah! Here we go again  
Close your eyes tell me what do you see  
Do you still remember me?  
Like some Mexican diplomat  
After the fact  
Air-brushed from history  
Swept under the mat.

I just want to find a heart like mine  
I just want to find a heart like mine  
A heart like mine, a heart like mine.

And as I walk out the door  
I step into a dream.  
The world's quiet and I feel free,  
But things are never what they seem  
But then I hear you call  
And warn myself - now don't go back  
But slow motion attacks  
Like some Mexican diplomat  
After the fact  
Air-brushed from history  
Swept under the mat.

I just want to find a heart like mine  
I just want to find a heart like mine  
A heart like mine, a heart like mine.
