

## I Try

Blue Rodeo

Dont tell me im wrong  
Cuz i've been watching every move that you make.  
Hearts you steal in your make-up and heels  
trouble for the man that you take.

Everytime you walk in the room  
I could never be sure of a smile  
You were never the same way twice.  
Im falling in love Oh nite after nite.....  
and its CRAZZ-ya-zzy.

So many poeple they say Ohhh  
Girl you got nothing but time.  
Oh you are a shining star  
dont worry what your leaving behind.

Everytime you walk in the room  
I could never be sure of a smile  
You were never the same way twice.  
Im falling in love Oh nite after nite.....  
and its CRAZZ-ya-zzy.

Oh you've got to try....  
try.....try.  
Why dont you know you've got to try....  
try...try....ewww oh eww.  
Oh baby you try..Ohhoohhhoh.

Everytime you walk in the room  
I could never be sure of a smile  
You were never the same way twice.  
Im falling in love Oh nite after nite.....  
and its CRAZZ-ya-zzy.

Oh you've got to try

Why dont you know you've got to try
