Blue Rodeo

Started out so simple  
Everything so innocent and plain  
She was in a doorway  
And I was walking nowhere down the main

She whispered something softly  
And stepped into the light  
Can you help me out she said  
I'm a little lost tonight  
One day love just hits you with a flash  
Lights go off around you like some photograph

She said her bags were stolen  
All they left her was the camera on her arm  
She told me she was new in town  
Only two weeks off the farm

Why did I believe her  
Heaven only knows  
She looked into my eyes  
And my resolution goes  
One day love just hits you with a flash  
Leaves you staring blindly like some photograph

Pictures of two fools  
Laughing at the world  
Smiling as only good luck does  
Truth is you're not even looking at me girl  
All the time I was falling  
You kept on stalling  
Sizing up how big a fool I was

Woke up in the morning  
I don't think that I had been asleep too long  
The room was dark and empty  
I could see that all my clothes and money were gone

I've run out of excuses  
And people I can blame  
If she ever asked me too  
I'd do it all again  
One day love just hits you with a flash  
Leaves you staring blindly like some photograph
