

What Is This Love

Blue Rodeo

What is this love that I leave behind
How can I turn from the tears in your eye
What is this world where we always pretend
That its worth it.. worth it in the end
What is this life we share that I just throw away
Is this love that causes so much pain
What is the promise that I leave behind
Why cant I just lie beside you again

What's going on?
How'd it get so wrong?
What's going on?
How'd it get so wrong?

What is this dream that I'll never find
What is the prayer that's still in my mind
What is this deed that I've made with fate
And I wonder if I have left it too late

What's going on?
How'd it get so wrong?
What's going on?
How'd it get so wrong?
