

# This Will Make You Love Again

Blue Stahlí

When the joys of living just leave you cold  
Frozen from the failing mess you've made your own  
If you want an ending to your screenplay life  
Well, here's the consolation that will change your heart and mind

All the glitz messiah's just pass the time  
A cure for no real sickness, cross your hopes and die  
Supermarket Jesus comes with smiles and lies  
Where justice he delays is always justice he denies

This will make you love again  
This will make you love again  
This will make you love again  
This will make you love again

And now you're safe  
Love again  
To feel the rays  
Love again  
The sweet delays  
Love again  
To shoot the breeze

Early Thursday mornings, wipe away the flies  
The crossfire fight for action in between your thighs  
Every touch is sacred, when they leave the room  
If I have to switch the lights off, I wanna switch them off with you

This will make you love again  
This will make you love again  
This will make you love again  
This will make you love again

And now you're safe  
Love again  
To feel the rays  
Love again  
The sweet delays  
Love again  
To shoot the breeze  
Love again.
