

Big Boys Don't Cry

Blue System

She's hurting me more than before
I spend a lot of dollars
For nothing
She left me like a broken toy

.....

For nothing
I'm the fool
I'm the clown
I'm dying for nothing
I gave you love
You let me down
I'm dying for nothing

Oh,on baby
Oh,on baby
Big boys don't cry
Oh, on baby
Oh, on baby
Big boys don't cry

..... door
You're living in a different world
For nothing
I wasted days and wasted nights
I paid the price to hold you tight
For nothing
I'm the fool
I'm the clown
I'm dying for nothing
.....
You let me down
I'm dying for nothing
