

# I Believe You Are An Angel

Blue System

Oh, take me just the way I am  
Oh, let me be your friend  
Tell me it's forever

Oh, you are like a shining star  
So beautiful but far  
We tie our dreams together

Oh babe, it's raining in my heart  
Just a game you play  
And then you break apart

I believe you are an angel  
Believe you are an angel  
If you would come from Heaven  
Heaven must be missing you

I believe you are an angel  
Believe you are an angel  
When I say I love you  
You're always in my heart

Oh, say the words I wanna hear  
I wanna be so near  
I hold you just forever

Oh, do you think that time stands still?  
I wanna feel your thrill  
There's never be a never

Oh babe, the tears I cried for you  
I never saw a girl  
I loved you like I do

I believe you are an angel  
Believe you are an angel  
If you would come from Heaven  
Heaven must be missing you

I believe you are an angel  
Believe you are an angel  
When I say I love you  
You're always in my heart

I believe you are an angel  
Believe you are an angel  
If you would come from Heaven  
Heaven must be missing you

I believe you are an angel  
Believe you are an angel  
When I say I love you  
You're always in my heart
