

I Like Your Sexy Body

Blue System

Hey, little girl
I wanna tell you a secret

I like your sexy body
I like to talk to you
I'll hear that hurdy gurdy
And all my dreams come true

Hey, sugar
I'll tell you a secret

Hey, little girl
I couldn't live without your love
It's a wonderful world
But this night ain't big enough

Oh, I'm not a Casanova
And I'll change my rules for you
I'll do, it's true

I like your sexy body
I like to talk to you
Come hear that hurdy gurdy
And all my dreams come true
ABC of love is so free, oh baby
Here and now and in my fantasy

Hey, little girl
I wanna tell you a secret

Hey, little girl
What you see is what you get
It's a wonderful world
But your love will drive me mad

There's a hole, oh, in my heart, babe
And the reason, babe, are you
I'll do the best for you

I like your sexy body
I like to talk to you
Come hear that hurdy gurdy
And all my dreams come true
ABC of love is so free, oh baby
Here and now and in my fantasy

Baby, tell me, was it love I get
Oh, you save my heart again
No matter what you do, no matter what you are
You're my only shining star

I like your sexy body
I like to talk to you
Come hear that hurdy gurdy
And all my dreams come true
ABC of love is so free, oh baby
Here and now and in my fantasy

I like your sexy body
Come hear that hurdy gurdy
ABC of love is so free, oh baby
Here and now and in my fantasy

I like your sexy
Come hear that hurdy gurdy
And all my dreams come true
ABC of love is so free, oh baby
