I Want To Be Your Brother

Blue System

Sailor of my heart, sailor of my fun Oh, you need my stuff, oh, we're born to run Hear my heartbeat, hear my heartbeat Babe, tonight, oh, it's a love beat

In these lonely nights, oh, we'll come and go How do fools survive when your pain will grow? Hear my heartbeat, hear my heartbeat Babe, tonight, oh, it's a love beat

I want to be, be your brother, be your brother, girl I want to be your friend I want to be, be your brother, be your brother, girl Baby, come take my hand

I want to be, be your brother, be your brother, girl I want to be your friend I want to be, be your brother, be your brother, girl Baby, come take my hand

Sailor I don't care if you're right or wrong I will be there, when you're friends are gone Hear my heartbeat, hear my heartbeat Babe, tonight, it's a love beat

Sailor of your heart, oh, it's out of tune Oh, let us start just to [Incomprehensible] the moon Hear my heartbeat, hear my heartbeat Babe, tonight it's a love beat

I want to be, be your brother, be your brother, girl I want to be your friend I want to be, be your brother, be your brother, girl Baby, come take my hand

I want to be, be your brother, be your brother, girl I want to be your friend Oh, let us stay in together, girl Baby, come take my hand

I want to be, be your brother, be your brother, girl I want to be your friend I want to be, be your brother, be your brother, girl Baby, come take my hand
