

Love Is Not A Tragedy

Blue System

Can you feel the groove?

You said I'm a liar, an uncertain love
But babe, all or nothing
All of a sudden, I'll promise enough
You said I'm a dreamer, a dream so kind
But baby, I swear you
Baby I dare you
Love's killing time

Love is not a tragedy, love is not a fantasy
I'm not a guy like Martin Looker
Baby, love is not a tragedy, love is not a mystery
I'm not a guy like Martin Looker

Can you feel the groove?

You said I'm a loser, a loser to rent
But someday together, baby forever
Guilty and banned, you said I'm a gambler
Don't poison my heart
But, baby I swear you
Baby I dare you
I'll play my part

Can you feel the groove, oh
Oh baby, oh baby
Can you feel the groove, oh
