

Praying To The Aliens

Blue System

She is dressed just in red
All the boys around her neck
She believes in fairytales
Like a rule she is gold
Breaking love is hard to do
Oh, babe, our looks will never fade
She's a pretty babe
She beat the devil
Always break my heart
In the streets of nowhere
I'm fighting for her
Oh, no, don't break apart

Send me a dream, a dream, a dream
Oh, I'm praying to the aliens
Send me a dream, a dream, a dream
I saw a vision on the screen
I need a super woman, a super woman
Oh, oh, I'm waiting for my dream
I need a super woman, a super woman
Oh, baby I've never seen

Oh, wake up, that's no lie
See an orange coloured sky
Like an unchained melody
Catch the star in the night
See the fantasy alive
Oh, babe, still water's running deep
She's a pretty babe
She beat the devil
Always break my heart
In the streets of nowhere
I'm fighting for her
Oh, no, don't break apart
