

THE WAY YOU SMILE

Blue System

Sorry,
I don't wanna make you cry,
Where this love goes when it dies?
Oh, I feel sorry,
Baby, so sorry,
I'm guilty,
Oh, baby as I broke your heart,
Oh, can we try a brand new start?
Oh, I feel sorry,
Yes, so sorry

I love the way you smile,
Gimme one more try,
Baby, I'm a prisoner of your heart,
I love the way you smile,
Can't you stay a while,
Only until death do us apart

Sorry, I never want to say goodbye,
Can you give us one more try?
Oh, I feel sorry,
Baby, so sorry,
I'm guilty,
Now, I know that you're the one,
You're the one that makes me strong,
Oh, I feel sorry,
Yes, so sorry
