

## When Bogart Talks To You

Blue System

Oh, you said that youre faithful  
Big dreams theyre useful  
Now, I cry and I cry  
Till the end of the lonely night  
Dont say its okay this goodbye  
This goodbye

Oh, its hard but its fair  
Baby, I dont care  
A part of me is dying  
Oh, Im here and there - call me everywhere  
Cross my mind - Im dying  
Oh, I love you till the end of time  
Oh no, I love you till I die

Dont break the silince, dont  
When bogart talks to you  
Dont break the silince of love  
When bogart talks to you  
Dont break the silince, dont  
When bogart talks to you  
Love me baby, oh kiss me  
Baby, dont miss me with devotion

Oh, my heart needs a home  
Baby, I know love I know is passion  
Were friends - not stone  
Baby, without a home love is an obsession  
Oh, I love you till the end of time  
Oh no, I love you till I die
