

When Bogart Talks To You

Blue System

Oh, you said that youre faithful
Big dreams theyre useful
Now, I cry and I cry
Till the end of the lonely night
Dont say its okay this goodbye
This goodbye

Oh, its hard but its fair
Baby, I dont care
A part of me is dying
Oh, Im here and there - call me everywhere
Cross my mind - Im dying
Oh, I love you till the end of time
Oh no, I love you till I die

Dont break the silince, dont
When bogart talks to you
Dont break the silince of love
When bogart talks to you
Dont break the silince, dont
When bogart talks to you
Love me baby, oh kiss me
Baby, dont miss me with devotion

Oh, my heart needs a home
Baby, I know love I know is passion
Were friends - not stone
Baby, without a home love is an obsession
Oh, I love you till the end of time
Oh no, I love you till I die
