

## When Sarah Smiles

Blue System

She was so young when she took the street  
Born too late in the mid-day heat  
Her parents said : she went to america  
She wasted days and she wasted nights  
Everybodys girl, nobodys child  
Her mother said: she went to america  
Another day and another time  
Heaven is so hard to find  
Sarah said : hello america  
I dont care where I sleep tonight  
I dont care if Im right  
I like to dance, catch the wind

When sarah smiles, her eyes shining blue  
I know shes smiling straight from her heart  
When sarah smiles, it means heaven too  
I know her heart is breaking apart  
When sarah smiles

She was so young when she left her home  
Back to things like a rolling stone  
Rocky said: she went to america  
She cried some tears, she said goodbye  
Wants to go where the eagle fly  
Her mother said: she went to america  
She was alone in a lonely world  
On l.a. drive, she met a girl  
Sarah said: hello america  
I like to see an ocean in the sky  
Dont stop me, when I try  
I like to dance, catch the wind
