She was so young when she took the street
Born too late in the mid-day heat
Her parents said : she went to america
She wasted days and she wasted nights
Everybodys girl, nobodys child
Her mother said: she went to america
Another day and another time
Heaven is so hard to find
Sarah said : hello america
I dont care where I sleep tonight
I dont care if Im right
I like to dance, catch the wind

When sarah smiles, her eyes shining blue
I know shes smiling straight from her heart
When sarah smiles, it means heaven too
I know her heart is breaking apart
When sarah smiles

She was so young when she left her home Back to things like a rolling stone Rocky said: she went to america She cried some tears, she said goodbye Wants to go where the eagle fly Her mother said: she went to america She was alone in a lonely world On l.a. drive, she met a girl Sarah said: hello america I like to see an ocean in the sky Dont stop me, when I try I like to dance, catch the wind
