

# Ain't Got You

Blue

I say Blue- you say what  
Blue - what - Blue - what

I say Blue- you say what  
Blue - what - Blue - what

If you think I got it all  
By the way that I'm living  
Fast money on a roll,  
Then I think you be mistaken  
If you think I have enough  
Got more that I'm needing.  
It's not like that at all.  
You don't have to believe me.

If I'm not what you're looking for  
Please tell me and I will go  
I'm not gonna waste your time  
Please tell me if you wanna be mine

Got a shelf full of books - so?  
Got a room full of clothes - so?  
Got a house that I stay - so?  
I ain't got you.

Got a box full of shoes - so?  
Got a brand new phone - so?  
Got the studio booked - so?  
I ain't got you

Now you know what I'm about  
And the streets that I come from  
Unreasonable doubt.  
Don't tell me that you have none.

On top of the world.  
Like nothing's missing.  
Never thought I needed a girl.  
But then I found myself wishing.

If I'm not what you're looking for  
Please tell me and I will go  
I'm not gonna waste your time  
Please tell me if you wanna be mine

Got a shelf full of books - so?  
Got a room full of clothes - so?  
Got a house that I stay - so?  
I ain't got you.

Got a box full of shoes - so?  
Got a brand new phone - so?  
Got the studio booked - so?  
I ain't got you

I say Blue- you say what  
Blue - what - Blue - what

I try every single day too  
Get by every night I pray too  
Survive everything I say and do

Got a shelf full of books - so?  
Got a room full of clothes - so?  
Got a house that I stay - so?  
I ain't got you.

Got a box full of shoes - so?  
Got a brand new phone - so?  
Got the studio booked - so?  
I ain't got you

I say Blue- you say what  
Blue - what - Blue - what
