

Yo, yo. yo, yo.

1. Your Honor, please, gotta believe what I say,  
what I will tell happened just the other day.  
I must confess 'cause I've had about enough,  
I need your help, gotta make this here thing stop.  
And baby, I swear to tell the truth,  
about all things we used to do.  
And if you thought you had me fooled,  
I'm telling you now, objection overuled.  
Here we go, oh baby.

R: One for the money and the free rides,  
it's two for the lie that you denied, all rise, all rise.  
Three for the calls you've been making.  
It's four all the times you've been faking, all rise, all rise.  
(I'm gonna tell it to your face, I rest my case.)

2. You're on the stand with your back against the wall,  
no where to run and nobody you can call, (oh no).  
I just can't wait, now the case is open wide.  
You try to pray but the jury will decide.  
And baby, I swear to tell the truth,  
about all the things we used to do.  
And if you thought you had me fooled,  
I'm telling you objection overuled, oh baby.

R:

So step back, 'cause you don't know this cat.  
I know deep down that you don't want me to react.  
I lay low, leaving all my options open.  
The decision of the jury has not been spoken.  
Step through my house, you'll find your stuff is gone.  
But in reality to whom does this stuff belong?  
I bring you into court to push my order,  
and you know that you overstepped a border, ah-ah.

R: (2x)
