

## If You Don't Know Me By Now

Blue

All the things that we've been through  
You should understand me like I understand you  
Now, baby, I know the difference between right and wrong  
I ain't gonna do nothing to upset our happy home

Oh, don't get so excited  
When I come home a little late at night  
Cause we only act like children  
When we argue, fuss and fight

If you don't know me by now  
You will never, never, never know me  
If you don't know me by now  
You will never, never, never know me

We've all got our own funny moods  
I've got mine, woman you've got yours, too  
Just trust in me, like I trust in you  
As long as we've been together, it should be so easy to do

Just get yourself together  
Or we might as well say goodbye  
What good is a love affair  
When you can't see eye to eye?

If you don't know me by now  
You will never, never, never know me  
If you don't know me by now  
You will never, never, never know me

If you don't know me by now  
You will never, never, never know me  
If you don't know me by now  
You will never, never, never know me
