

# Love at First Sight

Blue

Yeah

See if you can relate to this one

Hope I'm not disturbing you  
Because you look into thought right now  
I don't mean to be rude  
Cause this is normally not my style  
Can I take you out  
I feel that if I don't ask chance will pass  
And I'll never see your face again,  
I'll never see your face again. No

You maybe thinking I am strange  
Not every single day, no, beauty comes my way, so

Do you believe in love at first sight  
Tell me does that book that your reading  
Tell the story of your life  
Do u believe in love at first sight  
Should I walk on by, turn a blind eye  
To love, love at first sight.

I could be the man for you  
I can make all your dreams come true  
Maybe I'm a fool  
For saying I'm in love with you  
You may be thinking I am strange not every single day, no  
Beauty comes my way  
Ohhh

DO u believe in love at first sight  
Tell me does that book that you're reading  
Tell the story of your life  
Do u believe in love at first sight  
Should I walk on by, turn a blind eye  
To love, love at first sight.

You Say farewell  
I'll say so long  
Say goodbye  
I'll say your wrong  
Cause here in my arms you belong  
Woooo  
Ooooooooooooooooooooo

Do u believe in love at first sight  
Tell me does that book that you're reading  
Tells the story of your life  
Do u believe in love at first sight  
Should I walk on by, turn a blind eye  
To love, love at first sight.

Do u believe in love at first sight  
Tell me does that book that you're reading  
Tells the story of your life

Do u believe in love at first sight

Should I walk on by, turn a blind eye  
To love, love at first sight.

To love, love at first sight.
