

U Make Me Wanna

Blue

You know U make me wanna
You know U make me wanna

To start it off, I know you know me
To come to think of it, it was only last week
That I had a dream about us, oh oh

That's why I am here, I'm writin' this song
To tell the truth you know I have been hurtin' all along
Someway let me know, you want me girl

Every time you see me what do you see?
I feel like I'm a poor man and you're the queen
Oh baby, you're the only thing that I really need
Baby that's why

U make me wanna call you in the middle of the night
U make me wanna hold you till the mornin' light
U make me wanna love, U make me wanna fall
U make me wanna surrender my soul

I know this is a feelin' that I just can't fight
You're the first and last thing on my mind
U make me wanna love, U make me wanna fall
U make me wanna surrender my soul

Well, I know that these feelings won't end and I
They'll get stronger if I see you again
Baby, I'm tired of being friends, oh

I wanna know if you feel the same
And could you tell me, do you feel my pain?
Don't leave me in doubt, babe

Every time you see me what do you see?
I feel like I'm a poor man and you're the queen
Oh baby, you're the only thing that I really need
And baby that's why

U make me wanna call you in the middle of the night
U make me wanna hold you till the mornin' light
U make me wanna love, U make me wanna fall
U make me wanna surrender my soul

I know this is a feelin' that I just can't fight
You're the first and last thing on my mind
U make me wanna love, U make me wanna fall
U make me wanna surrender my soul

I'll take you home real quick
And sit you down on the couch
Pour some Dom Perignon and hit the lights out
Baby, we can make sweet love, whoa

Then we'll take it nice and slow
I'm gonna touch you
Like you've never known before

We're gonna make love, ohh

U make me wanna call you in the middle of the night
U make me wanna hold you till the mornin' light
U make me wanna love, U make me wanna fall
U make me wanna surrender my soul

I know this is a feelin' that I just can't fight
You're the first and last thing on my mind
U make me wanna love, U make me wanna fall
U make me wanna surrender my soul

U make me wanna call you in the middle of the night
U make me wanna hold you till the mornin' light
U make me wanna love, U make me wanna fall
U make me wanna surrender my soul

I know this is a feelin' that I just can't fight
You're the first and last thing on my mind
U make me wanna love, U make me wanna fall
U make me wanna surrender my soul
