

# We've Got Tonight

Blue

I like vanilla chicks and cocoa  
Whether from over, she's a loco  
I like em dancing on me slow mo  
So come on fuck me like you're supposed to  
'Cause you're supposed to

You know I'm ready and I'm good to go  
So don't keep me hanging, keep me hanging

We've got tonight, why are we waiting?  
Ain't about us playing a game  
We've got tonight, 'cause tomorrow  
We'll be strangers all over again  
You don't want my love, you just want my touch  
Right now I see love  
Do what you like  
Can you take it?  
We can do this into the night  
We got tonight

I know you want me like I want you  
So come talk to me like you want to  
I'm at the bar, why don't you come through?  
Then we can start, I know you want to  
I know you want to

You know I'm ready and I'm good to go  
So don't keep me hanging, keep me hanging

We've got tonight, why are we waiting?  
Ain't about us playing a game  
We've got tonight, 'cause tomorrow  
We'll be strangers all over again  
You don't want my love, you just want my touch  
Right now I see love  
Do what you like  
Can you take it?  
We can do this into the night  
We got tonight

Tonight I came out to rock the show  
So get your fine assets on the flow  
So come on baby girl just give me some more  
The way you make me feel, I gotta let you know  
So let me see you get low  
I call her, she poke her, she's about to blow  
She's lookin so hot from head to toe  
You're the pussy that gave his pack a boat

We've got tonight, why are we waiting?  
Ain't about us playing a game  
We've got tonight, 'cause tomorrow  
We'll be strangers all over again  
You don't want my love, you just want my touch  
Right now I see love  
Do what you like  
Can you take it?

We can do this into the night  
We got tonight

We got tonight  
We got tonight
